

## SPOT THE PATTERN

- Read a book showing pictures of patterns (on clothing, in nature, or on anything!) such as **Pattern Fish** (Trudy Harris).

**As you read together, talk about:**

Let's find a pattern on this page.

How are these patterns **alike**?

How are these patterns **different**?

Describe a pattern you see.

**Talk about patterns** when you're doing chores or when you're shopping for clothing.

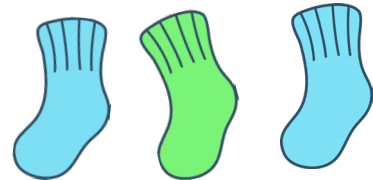

## SPOT THE PATTERN

**Talk about patterns around you.**

How are these stripes **alike**?  
How are they **different**?

Let's make a pattern:  
blue sock, green sock, blue  
sock ...

I see a pattern of red and  
black stripes.

Describe a pattern that  
you see.
