

WHAT FITS?

Read a book that includes three different sizes, such as **Goldilocks and the Three Bears**.

As you read together, talk about:

How can you tell those are different sizes?

Let's find something on the page that is **medium** size.

Look how **small** that is!

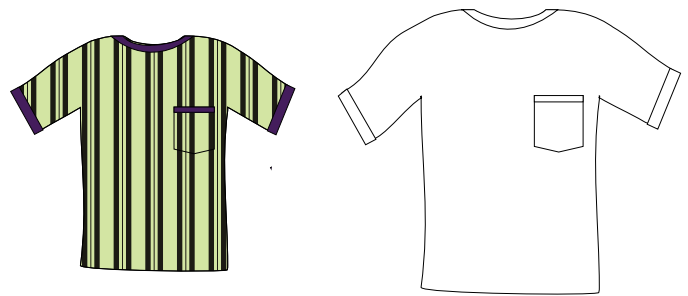

How can you tell that is the **largest**?

Compare sizes in clothing,
furniture, or other things in daily life.

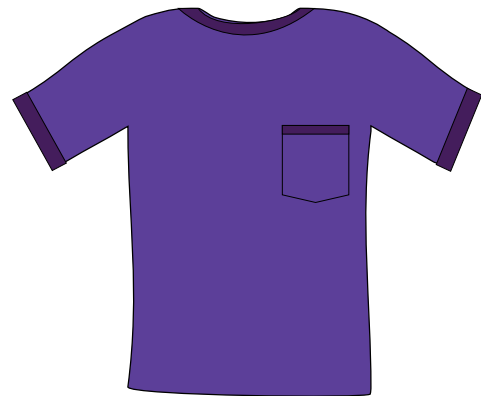

WHAT FITS?

Talk about sizes.

My shirt is **bigger** than
yours and **smaller** than
Daddy's.

Find something that is
too **small** for you.

Let's find the smallest **spoon**.

This is the **biggest** spoon.
