

IN AND OUT

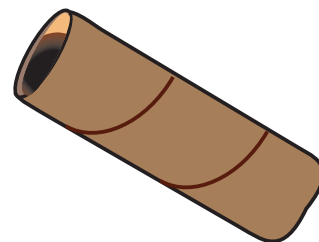

Materials: Toilet paper tube, dish towel or cloth (if possible, with animal print)

Put the cloth through the **tube**. Encourage your baby to pull it out.

Help your baby stuff the cloth back **inside**.

Tuck the cloth all the way **inside** the **tube**.
Can your baby find it?

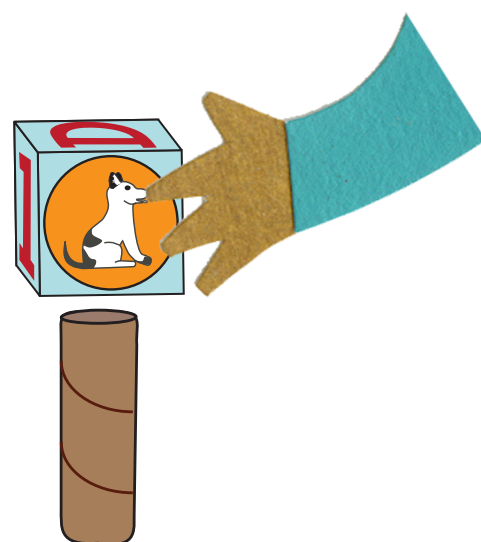

TOP AND BOTTOM

Materials: Two toilet paper tube and two soft blocks or small boxes

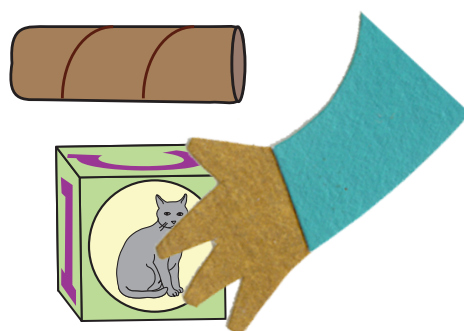

As your baby plays with the **tube** and blocks, encourage her to experiment:

*Let's try putting a
tube on the bottom.*

*What happens if we turn
the tube sideways?*

*What happens if we put
a block on the bottom?*

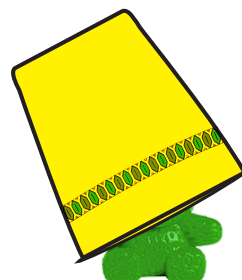

FIND THE ANIMAL

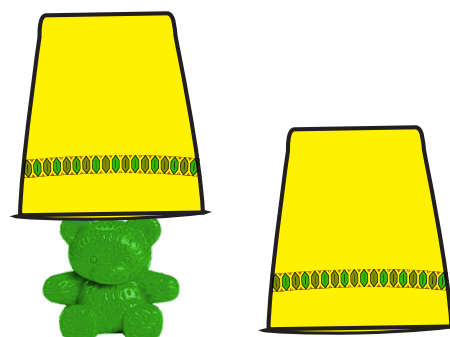

Materials: Two identical cups, animal toy that fits in the cups

Play a game with your baby, a toy, and a cup.

Put the toy **under** the cup. Help your baby find it.

Set out two cups. Hide the toy **under** one of them. Have your baby find it.

Encourage your baby to hide a toy for you to find!

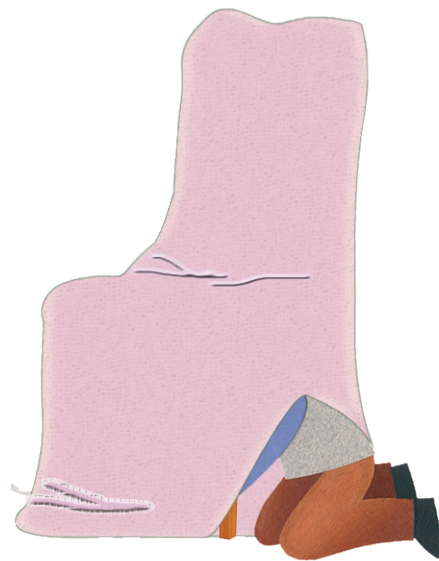

BEAR IN A DEN

Materials: Small sheet or blanket, chair baby can crawl under

Make a “bear den.” Drape a sheet over a chair.

Encourage your baby to crawl in the “den.”

And out again!

Hide a toy in the “den” for your baby to find.

Have your baby hide a toy for you to find!
