

Materials: A few soft blocks

BUILD UP, TUMBLE DOWN

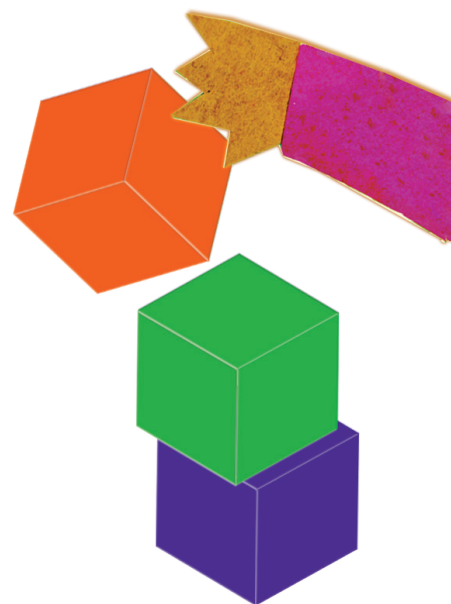

Help your baby stack blocks.

*Let's put another
block on **top**.*

*A purple block is on
the **bottom**.*

Have your baby knock
them down. Then stack
them up again!

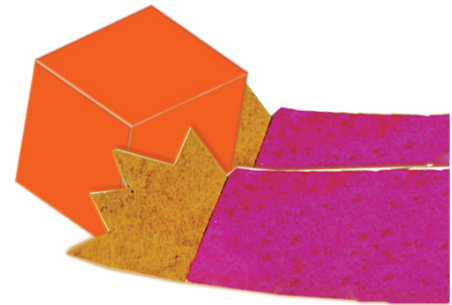

EXPLORE SHAPES

Materials: A few soft blocks and balls

As your baby handles the objects, talk about their shapes.

The side of this block is flat.

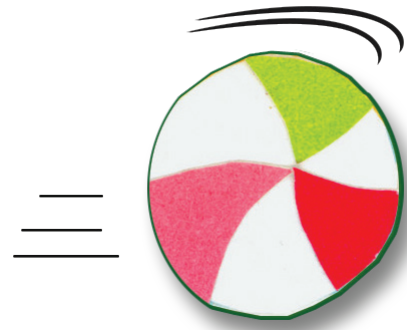

The ball is round.

Help your baby explore:

Let's try rolling the ball.

Try rolling the block!

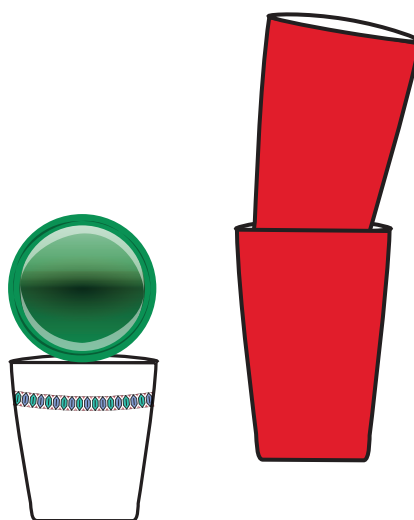

WHAT FITS INSIDE?

Materials: A few varied balls, blocks, and plastic cups

Help your baby explore:

*Let's see what fits **inside** the cup.*

*The ball is too **big** to fit **inside** the cup.*

*Your hand fits **inside** the cup!*

What will happen if I try to put my hand in the cup?

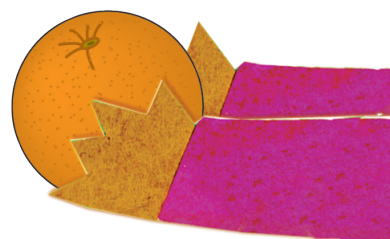

TOUCH AND TALK

Materials: A few fruits and vegetables in different shapes

As your baby touches the items, talk about the shapes.

It's round, orange, and bumpy.

Help your baby find all the “ball” shaped fruits.

This one is round all the way around!

That one is long and thin.
